CASE NO. 2:22-cv-00182-CDS-BNW

**MOTION TO RECONSIDER**

I believe there is some confusion between this case and the Judicial Review I requested for 2:22-cv-00508-JAD-VCF. They are two different issues.

January 18<sup>th</sup> 2022 I was evicted from a property where I was placed November 2019 by HELP of Southern Nevada. Just over 2 weeks later, February 9<sup>th</sup> 2022, my 62<sup>nd</sup> birthday, I was diagnosed with Covid-19. I am a high risk candidate for the disease due to high BP and heart failure.

I was taken to UMC by ambulance. Too ill to go to the hospital under my own power. After being tested and treated, I was placed in the ER waiting area. While drifting in and out, my backpack was stolen by a predator. They got ALL my ID, insurance card, hearing aids, glasses, phone, bus pass, etc... Without ID I was unable to get one of the prescriptions I needed for Covid-19 and one of my regular monthly prescriptions. And

1 without ID and my insurance card I am unable to receive treatment for long Covid. I  
2 have been struggling for weeks with it.

3 March 8<sup>th</sup> 2022, I received an email from Shawna Quemada from Clark County  
4 Social Services. She wanted to know if I would be willing to be placed at the Rodeway  
5 Inn until permanent housing could be found. That would have put me in an area that I  
6 was familiar with, closer to Dr.'s I see, my hospital of choice, a grocery store, library,  
7 college campus, etc... She said that was all that was available. That's not what  
8 happened.

9 March 15<sup>th</sup> 2022 Clark County Social Services placed in another of their "drug  
10 houses", substance abuse facilities. She finished the job her partners from HELP of  
11 Southern Nevada started. She placed me as far out as you could go. An isolated area,  
12 close to absolutely nothing. No access to a computer, library, grocery store,  
13 etc... Looked me straight in the eye and bold faced lied. Have not seen or heard from  
14 her since.  
15

16 When she dumped me off she knew I hadn't had any of my regular medicine  
17 since February 9<sup>th</sup> when my backpack was stolen nor clean clothes since November of  
18 2019. She gave some lame excuse. Her bosses, her partners, the Governor's office, NV  
19 HHS, HUD, and Nevada AG have ALL been given the documentation. Truth and facts  
20 do NOT fir their narrative.

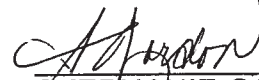

21 They will deny you services based on the trash they manufacture but don't have  
22 a problem with keeping a documented felon on the taxpayer payroll. He spent six  
23 months shutting off services daily and a variety of other things. The Department of  
24 Justice has opened an investigation for housing discrimination, elder abuse, and age.  
25

26 It is no accident I was placed out in an isolated area. That was the plan from the  
27 start. I was told to see their Dr. so he can write up some fabricated claim to fleece  
28 taxpayers. All I have been trying to do is defend myself and get back into school. If they

1 think deliberately placing me in an isolated area is going to keep me from seeking  
2 accountability and justice, think again. Because I had no access to anything and  
3 struggling with long Covid, I missed the deadline. If it is too late to be reconsidered, I will  
4 refile it.

5 I applied for the indigent fund on February 6<sup>th</sup> 2022. They have used every  
6 excuse to deny me that also. I could have gotten my ID, another phone I can hear on, a  
7 bus pass to get to where I need to go, etc...

8  
9  
10 Respectfully,

11  
12
